WINDSOR UNIVERSITY

SCHOOL OF MEDICINE

WELCOME TO WINDSOR UNIVERSITY SCHOOL OF MEDICINE.

On behalf of the Board of Trustees, faculty and staff, I wish to thank you for considering Windsor University School of Medicine. Founded in 1998 WUSM has a tradition of providing an outstanding medical education and endeavor to prospective physicians worldwide for a reasonable tuition.

Windsor University School of Medicine is constantly building upon its reputation as one of the leaders in international medical education. WUSM is comprised of an excellent faculty and facilities located at Brighton's Estate on the island of St Kitts, West Indies.

Our graduates successfully practice across the United States, Canada, Africa, India and the Caribbean Region. This demonstrates the depth, breadth and quality of our medical curriculum (MD 1-10), dedicated faculty, and new facilities at our St Kitts Brighton's Estate campus.

The Pre-Med Curriculum (Pre-MD 1,2 & 3) builds a strong academic science foundation for our students to successfully complete the requirements for admission into WUSM consisting of 10 semesters. Our basic science curriculum in addition to our fifth semester (USMLE preparation and Intense Introduction to Clinical Medicine) prepares our students to sit for the USMLE Step 1 National Exam in order to qualify for ACGME rotations in our Affiliated US teaching hospitals.

Because of our quality reputation and affiliations with leading US hospitals, more students are looking to build their medical school career at Windsor University School of Medicine. To all students, alumni or new members of WUSM family, we welcome you and wish you the best of luck in your academic and professional endeavors.

President

Dr. Brijinder K. Gupta

ABOUT US

Windsor University School of Medicine is an accredited medical school located on the beautiful island of St. Kitts. The institution aims to provide an environment for students to study medicine. There are 17 acres of campus facilities to study basic sciences, prepare for the USMLE examinations, and transition into clinical rotations. The school provides affordable medical education to help accomplish the dream of becoming a physician for many students. Upon completion of the premedical and/or Doctorate of Medicine (MD) program, students move on to 72 weeks of clinical rotations in the United States. In addition to mentorship and tutoring, the school of medicine offers a good student to teacher ratio. There are numerous organizations available to develop further knowledge, leadership and clinical skills. Windsor University makes it a goal to graduate well-rounded physicians for residency and beyond.

MISSION STATEMENT

WINDSOR UNIVERSITY

HOUSING

Windsor University School of Medicine Housing Department helps students secure the right accommodations to suit each individual's needs.

Most of our housing is located in safe and secured areas that are only 20 - 25 minutes drive away from our campus. We also have accommodations located close to campus.

Apartments are fully furnished, students would only need to bring towels, cups, plates, their personal needs, and clothing.

Windsor University also has an agreement with Royal St. Kitts Beach Hotel, Sugar Bay Resort, and Bird Rock Beach Hotel to provide housing and other facilities for our students. Each room includes one bed, desk with chair, television with cable TV, and a small refrigerator. Their amenities include, restaurants, gym, study lounge, and general kitchen.

Double occupancy rooms include two beds.

The Royal St. Kitts Beach Hotel and Sugar Bay Resort are located in Frigate Bay. Bird Rock Beach Hotel is located in Bird Rock. The University provides subsidized transportation for all Windsor students.

Students should contact Windsor University Housing Department to learn more about their room rates.

The Housing Department

Windsor University Housing Department staff works closely with students to select housing. The Housing Department's hours of operation are 8:00 am to 4:00 pm Monday through Friday.

ACADEMIC MD REQUIREMENTS

General Biology, Physiology or Zoology with laboratory or computer simulation [2 semesters or 8 credit hours]

Inorganic or General Chemistry with laboratory or computer simulation [2 semesters or 8 credit hours]

Organic Chemistry or Biochemistry with laboratory or computer simulation [2 semesters or 8 credit hours]

Physics with laboratory or computer simulation [2 semesters or 8 credit hours]

English (or a Humanities equivalent i.e. Social Studies) [2 semesters or 6 credit hours]

POLICES ON NON-DISCRIMINATION, EQUAL OPPORTUNITY, AND AFFIRMATIVE ACTION

The Windsor University School of Medicine is committed to assuring that all programs and activities are readily accessible to all eligible persons. The university prohibits discrimination on the basis of race/ethnicity, color, religion, creed, national origin, ancestry, sex, age, disability, sexual orientation, or veteran status. The Windsor University School of Medicine also extends equal opportunity regardless of marital or parental status. All forms of illegal discrimination, including sexual, racial and ethnic harassment, are prohibited by university policies.

DR. SRINIVAS GADDAM FOUNDER ACADEMIC SCHOLARSHIP

In memory of our founder and past president, Dr. Srinivas Gaddam, Windsor University School of Medicine has established an academic scholarship. Those students selected will receive \$500 per basic science semester (applied to the tuition).

Prospective students will receive this competitive scholarship based on an overall GPA of 3.2 from previous institution, interview, and submission of any application material (personal statement, letters of recommendation, etc).

This academic scholarship must be maintained with a overall GPA of 3.5 throughout the basic science curriculum.

CLINICAL ACADEMIC SCHOLARSHIP

Award: USMLE Prep Course and/or material

- Current clinical students must receive 230 on Step 1. Exam must be taken within 4 months after MD 5.
- In order to continue to be eligible for the scholarship, clinical students must maintain with minimum 230 on Step 2 as well. Step 2 must be taken by the end of MD 8.
- Transfer students need to show minimum score of 230 on Step 1 and/or Step 2 from previous institution.
- All those interested may speak to the clinical department for consideration

AND MANY MORE...

Windsor University School of Medicine has the Becker USMLE review program integrated into the fifth semester curriculum. Students have access to live online lectures in addition to supplemental material to complement their review.

Windsor University School of Medicine is excited to partner with occurrent enrollment opportunities to study towards bachelors, graduate degrees (Masters in Public Health & Masters in Business Administration), and doctoral programs. There is dedicated support to allow students to succeed in both programs simultaneously.

SKI ACADEMY

If you can dream it, you can achieve it

Those students who will have their families with them, on the island of St. Kitts, may enroll their children at St Kitts International Academy for grades 1-12 education

PARTNERSHIPS

JESSE MORSE, MD, MBA

Hometown : Worcester, MA

Graduation Date : 2014

Residency : Creighton University, Family Medicine, Omaha, NE

About : Dr. Jesse Morse transferred into Windsor University into the 5th semester Carbondale campus. He rotated through multiple hospitals in Chicago, IL, Shreveport, LA and Norfolk, VA. Dr. Morse has simultaneously completed a master's degree in Healthcare Management.

Advice : To understand the topic and review it again. You are not studying for just one exam but for a successful career in medicine.

JOCELYN JOSEPH, MD

Hometown : Chicago, IL

Graduation Date : 2013

Residency : Ghent Family Medicine, Eastern Virginia Medical School

About : Dr. Jocelyn Joseph is from Chicago, IL. She did her undergraduate at Michigan State University where she received a bachelor of science in Human Biology. She is a 2nd year resident at EVMS. Dr. Joseph is involved with research on chronic pain management and metric project on hypertension.

Advice : To do well on boards, apply yourself, and to make connections at conferences.

JOSEPH HOWARD, MD

Hometown : Fresno, CA

Graduation Date : 2012

Residency : Morehouse School of Medicine, General Psychiatry, Atlanta, GA

About : Dr. Joseph Howard attended the University of Southern California and earned his BA in Psychology with minors in Natural Science and Spanish. Following undergrad, he worked as a medical assistant for 6 months prior to beginning medical school. Following 5th semester, Dr. Howard transferred to Windsor University to complete his Clinical Sciences. Today, he is a PGY-II Psychiatry resident at Morehouse School of Medicine in Atlanta, GA.
